

## **Fischer Park Team Building Programs:**

Fischer Park team building programs are built for teams of all ages! Whether you are looking for an afternoon away from the office or a fun activity for your sports team we've got you covered! Prices are determined based on the number of participants. To book a team building program please contact Erin Bryant at [ebryant@newbraunfels.gov](mailto:ebryant@newbraunfels.gov) or call 830-221-4249 or Davis Brown at [dbrown@newbraunfels.gov](mailto:dbrown@newbraunfels.gov) or call 830-221-4375.

Our team building programs include:

**Navigation:** Working in small groups, teams will be taught how to use and read a compass. Using given coordinates, each team will be sent to a different starting location in the park to find clues that will lead them to their next location. Teams will gain pieces of a major clue that in the end they will combine with other teams to find their final meeting location where Fischer staff will be waiting to determine the winning team.

**Shelter Building:** Teams will meet at the flagpole to take a short walk to the forest to build their shelter. The team will be given two items: a tarp and a length of rope. From there they will need to collect all other items to build their shelter. At the end as many team members as possible will fit in the shelter and have a bucket of water poured on top of the shelter to see if they stay dry.

**Archery:** Teams will learn the basics of archery and can shoot multiple times with different added targets. We can accommodate up to 10 participants at a time and will rotate groups if needed.

**Kayaking:** Teams will be taught the basics of kayaking, and they will head out onto the pond where they are free to explore our large pond with a Fischer staff member both on the water and on the dock the entire program. This program can accommodate up to 8 single kayakers. All materials including life jackets are provided.
