Building Inspection
Division 550 Landa
New Braunfels, Texas

78130 RE: Engineered

Foundation Gentlemen:

The foundation referenced below is being designed by this office with current engineering practices using available geotechnical data and architectural plans provided by the Builder. The construction of the foundation will be reviewed during periodic site observation visits by qualified personnel. The Foundation shall comply with Chapter 4 of the 2021 International Residential code for residential foundations and Chapter 18 of the 2021 International Building code for all other foundations to ensure proper grade to drain surface water away from foundation walls.
