RESOLUTION NO. 2013 R-16

RESOLUTION OF CITY OF NEW BRAUNFELS, TEXAS CONSENTING TO THE
CREATION OF COMAL COUNTY WATER IMPROVEMENT DISTRICT NO. 1,
WHICH IS IN THE EXTRATERRITORIAL JURISDICTION OF THE CITY

WHEREAS, pursuant to Acts 2009, 81st Leg., R.S., Ch. 584, Sec. 1 (Chapter 9038 of the Texas Special District Local Laws Code) ("Enabling Act"), the Texas Legislature created Comal County Water Improvement District No. 1, a water control and improvement district created pursuant to Article XVI, Section 59 of the Texas Constitution, with the powers and duties provided by Chapters 49 and 51 of the Texas Water Code, including the power to divide into one or more districts (such district and any and all districts arising from any division thereof individually a "District" or collectively, the "Districts"); and

WHEREAS, the District, as initially composed in the enabling Act, includes approximately 2,445 acres in Comal County, Texas described in the attached Exhibit A ("Property"), which is located partially within the extraterritorial jurisdiction of the City of New Braunfels, Texas ("City"); and

WHEREAS, pursuant to Texas Local Government Code, Section 42.042, land within the extraterritorial jurisdiction of a city may not be included within a district without the written consent of such city; and

WHEREAS, pursuant to Section 9038.004 of the Enabling Act, the temporary directors of the District may not hold an election confirming the creation of the District until the City has consented by ordinance or resolution to the creation of the District and to the inclusion of land within the District, and has entered into a development agreement under Section 212.172, Texas Local Government Code, with the retail public utility owned by the City that addresses water and wastewater issues and with the owners of land in the District, in accordance with the Enabling Act; and

WHEREAS, New Braunfels Utilities, the retail public utility owned by the City, the City and the owners of land in the District have entered into that certain Utility Agreement, dated 2-25-13, which addresses water and wastewater issues, in accordance with the Enabling Act; and

WHEREAS, the City, Word-Borchers Ranch Joint Venture ("Developer") and the owners of land in the District entered into that certain Development Agreement between City of New Braunfels and Word-Borchers Ranch Joint Venture for Proposed Mixed Use Development dated February 25, 2013 ("Development Agreement"), which addresses the development of the property within the District and the provision of water, wastewater, and other relevant issues relating to the District, in accordance with Section 9038.004(a) and (b) of the Enabling Act; and

WHEREAS, pursuant to the Development Agreement, Developer and the District requested the City's consent by resolution to the creation of the District and to the inclusion of the Property within the District under the terms and conditions below; and

WHEREAS, the City Council of the City desires to adopt this Resolution for the purpose of consenting to the creation of Comal County Water Improvement District No. 1 and to the inclusion of the Property within its boundaries.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF NEW BRAUNFELS, TEXAS:

1. That all of the matters and facts set out in the preamble hereof be true and correct.
2. That the City Council of the City hereby gives its written consent, as required by Texas Local Government Code, Section 42.042 and Texas Special District Local Laws Code, Section 9038.004, to the creation of Comal County Water Improvement District No. 1 and to the inclusion of the Property within its boundaries, subject to the following terms and conditions:
 - a. **Division of District.** The District may, from time to time, without any further City consent, be divided into two or more Districts in accordance with the provisions of Section 9038.108 of the Enabling Act so long as (i) the division complies with applicable laws and each District created by a division of the original District encompasses a minimum of 200 acres and a maximum of 600 acres, provided that (y) a single District designated by the District as a "master district" may have fewer than 200 acres, and (z) the remainder of the original District may contain more than 600 acres after a new District is created; (ii) the division does not cause the area within a Final Plat (as defined in the Development Agreement) to be located within more than one District; and (iii) the District shall give the City no less than sixty (60) days advance written notice of the intent to divide and create a new District with such notice including a metes and bounds description of the new District. Owner agrees that the City shall not be required to grant a certificate of occupancy for a structure located within a District unless the District encompassing such structure complies with the preceding limitations. In no event shall the division of the District and creation of one or more new Districts be construed to permit any land use inconsistent with the Master Framework Plan as amended from time to time. The creation of any new District not complying with the above limitations shall require the prior consent of the City.
 - b. **Annexation or Exclusion of Land.** The District shall give the City no less than sixty (60) days advance written notice of its intent to realign the boundaries of an existing District through the method of adding land to or excluding land from a District. Unless approved by resolution of the City in its reasonable discretion or consented to by the City in the Development Agreement, no District shall add land to such District that is located outside of the Property initially comprising the District as set forth in the Enabling Act.
 - c. **Authority of the District to Issue Bonds.** The District and each District created by division of a District shall have the authority to issue, sell, and deliver bonds from time to time, as deemed necessary and appropriate by its

Board of Directors, for the purposes, in such forms and manner, and as permitted or provided by federal law, the general laws of the State of Texas and this Resolution. Unless otherwise agreed by the City:

- i. The aggregate amount of bonds, excluding refunding bonds, the Districts collectively may issue shall not exceed a total of Six Hundred Twenty Million Dollars (\$620,000,000.00) in principal amount;
- ii. No District shall sell bonds unless its financial advisor determines that the bonds and any other indebtedness of such District payable from ad valorem taxes can be amortized with a projected ad valorem tax rate (including debt service on the bonds and all other ad valorem taxes being levied by such District) of \$1.50 per \$100 of assessed valuation or less; and
- iii. Unless approved by resolution of the City in its reasonable discretion, no District shall issue bonds or enter into any contractual obligation with any other District, the State of Texas or any agency or political subdivision thereof, covenanting to make payments in support of bonds later than the earlier of (y) thirty-five years after the Effective Date (as defined in the Development Agreement) of the Development Agreement, or (z) twenty-five (25) years after the date such District issued its first series of bonds.
- iv. No less than thirty (30) days prior to selling a series of bonds, an Issuing District (defined below) shall provide the City with a certified copy of the Texas Commission on Environmental Quality Order approving the bond issue (if applicable), a copy of the Preliminary Official Statement for the bonds, and a draft of the District's Order authorizing issuance of the bonds.

d. **Bond Provisions.** To ensure compliance by a District with each applicable condition or restriction imposed in connection with the Development Agreement, this Consent Resolution, or other applicable agreement, resolution or ordinance, the City Council of the City is entitled to approve the issuance or sale of bonds by a District ("Issuing District") before such District issues a bid invitation for such bonds. If an Issuing District is in compliance with each applicable condition set forth below, the City shall consent to such issuance or sale within thirty (30) days of written request so long as either (a) during the ninety (90) days preceding the commencement of such 30-day period, the Issuing District made a presentation to the City Council with a summary of the proposed issuance of bonds, or (b) at least ninety (90) days preceding the commencement of the 30-day period, the Issuing District informed the City Manager in writing that the Issuing District was available to make such a presentation to the City Council and such presentation was not placed on an agenda of the City Council during the 90-day period. Unless otherwise agreed by the City, an Issuing District shall not sell, issue or deliver any bonds

unless:

- i. The terms of such bonds expressly provide that the Issuing District has the right to redeem the bonds no later than on any interest payment date subsequent to the 10th anniversary of the date of issuance, without premium;
- ii. The bonds, other than refunding bonds, are sold after the taking of public bids therefor;
- iii. None of such bonds, other than refunding bonds, are sold for less than 95% of par;
- iv. The net effective interest rate on bonds so sold, taking into account any discount or premium as well as the interest rate borne by such bonds, does not exceed two percent above the highest average interest rate reported by the Daily Bond Buyer in its weekly "20 Bond Index" during the one-month period next preceding the date notice of the sale of such bonds is given and bids for the bonds will be received not more than forty-five (45) days after notice of sale of the bonds is given;
- v. Such bonds shall not have a final maturity date more than twenty-five (25) years from the date of issuance;
- vi. The bonds and the Issuing District's other outstanding bonded indebtedness have a combined level debt service schedule, meaning that the highest year's debt service does not exceed the average year's debt service by more than five percent (5%);
- vii. Any refunding bonds of an Issuing District must provide for a minimum of three percent (3%) net present value savings, and, if such refunding occurs after the last date an Issuing District is permitted to issue bonds, the refunding bonds must not mature later than the original, final maturation date of the bonds to be refunded; and
- viii. No Event of Default, as such term is defined in the Development Agreement, has occurred that relates to (a) the improvements or other matters that are the subject of such proposed bonds, (b) the obligations of the District and the Owner pursuant to Section 5.2, 5.3 or 5.16 of the Development Agreement, or (c) the obligations of the District and the Owner pursuant to Section 7.1 of the Development Agreement.

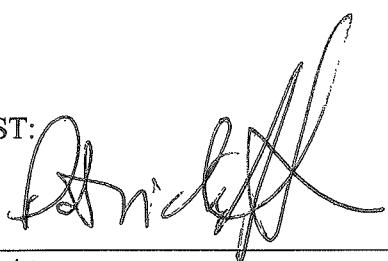

- e. Annexation. The annexation for full purposes by the City of any portion of the District shall be in accordance with the terms of the Sections 9 and 19 of the Development Agreement.

PASSED AND APPROVED on this 25th day of February 2013.
