Any changes, additions, or clarifications to the request for CSP are made by amendments (addenda) and will be posted on the Public Purchase website. At the request of the Respondent, or in the event the Purchasing Manager deems the interpretation to be substantive, the interpretation will be made by written addendum issued by the Purchasing Manager. Such addendum will be attached to the original request for CSP in the Public Purchase file and will become part of the request for CSP package having the same binding effect as provisions of the original request for CSP. It shall be the Respondent’s responsibility to ensure that they have received all Addenda with respect to this Project. Furthermore, Respondents are advised that they must recognize, comply with, and attach a signed copy of each Addendum which shall be made part of their submittal. Respondent’s signature on Addenda shall be interpreted as the respondent’s recognition and compliance to official changes as outlined by the City and as such are made part of the original request for CSP documents. Addenda may be downloaded at http://www.bidnetdirect.com/texas or at the City of New Braunfels Web site, http://www.nbtexas.org/2694/Active-Solicitations. No verbal explanations or interpretations will be binding. The City does not assume responsibility for the receipt of any addendum sent to Respondents.

33. VERBAL THREATS

Any threats made to any employee of the City, be it verbal or written, to discontinue the providing of item/material/services for whatever reason or reasons shall be considered a breach of contract and the City will immediately sever the Contract with the Respondent.

34. CONFIDENTIAL INFORMATION

A. Any information deemed to be confidential or proprietary by the Respondent should be clearly annotated on the pages where confidential or proprietary information is contained. The City cannot guarantee that it will not be required to disclose all or part of any public record under Texas Public Information Act, since information deemed to be confidential or proprietary by the Respondent may not be confidential or proprietary under Texas Law, or pursuant to a Court order. Pursuant to Government Code, Chapter 552, the City must disclose certain contracting information and the law presumes that most contracting information is public. Certain types of contracting information must generally be released under the Public Information Act: overall price; price and description of items or services to be delivered; delivery and service deadlines; remedies for breach of contract; identity of the parties to the Contract; execution and effective dates; and information connected to a vendor or contractor’s performance on the Contract. Chapter 176 of the Texas Local Government Code requires that any vendor or person considering doing business with a local government entity must disclose in the Questionnaire Form CIQ, the vendor or person’s affiliation or business relationship that might cause a conflict of interest with a local government entity. This questionnaire must be filed, by law, with the City no later than the 7th business day after the date the person becomes aware of facts that require the statement be filed. See Section 176.006, Local Government Code. A person commits an offense if the person violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor. For more information or to obtain the Questionnaire CIQ go to the Texas Ethics Commission web page at www.ethics.state.tx.us/forms/CIQ.pdf.

39. **ARTICLE 21 – RESIDENT PROPOSERS**

Texas provides no advantage to resident Proposers in the award process. However, offers from another state where that state favors their residents will be evaluated by adding the same differential to the proposal that would be required for a non-resident proposal to be awardable in their resident state. (For example, how much lower a Texas firm must be in that state than one of their resident proposals in order to be the awardee).

Pursuant to Local Government Code §271.9051, the City of New Braunfels has a local preference resolution 2009-R61. This resolution authorizes the municipality to enter into a contract with the lowest Proposer or the Proposer whose principal place of business is in the City of New Braunfels if that local Proposer is within five percent of the lowest proposal price received from a Proposer who is not a resident and offers the municipality the best combination of contract price and additional economic development opportunities for the City created by the contract award; including the employment of residents of the municipality and increased tax revenues to the municipality and total amount of the contract is less than $100,000. This provision does not prohibit the City of New Braunfels from rejecting all proposals.

40. **GENERAL CONTRACTOR REGISTRATION**

Ordinance 2008-43 requires all general Contractors and their Subcontractors to be registered with the City of New Braunfels before commencing work within city limits. All information may be obtained at www.nbtexas.org click on-line services, Download Center, Building then GC Reg. Application or call the Building Division at 830-221-4060.

41. **PREVAILING WAGES**

Proposer’s must comply with all requirements of the prevailing wage statute, Government Code 2258 and Davis-Bacon and Related Acts for non-Federal contracts.

Workers on the Project shall be paid not less than wage rates, including fringe benefits, as published by the Department of Labor (DOL) for Building Construction Trades “AS APPLICABLE”.

A. Wages shall be paid in accordance with the Davis Bacon Wage Rates. https://www.wdol.gov/dba.aspx
Such wage rates shall be used throughout the contract. If a classification is to be used, which is not listed in the attached wage rates, Contractor shall submit to owner rates and classification proposed for use, for approval, prior to performance of the Work.

42. EMPLOYMENT REQUIREMENTS AND WAGE RATES

This Contract shall be based upon payment by Contractor and his Subcontractors of wage rates not less than the general prevailing rate of per diem wages for Work of a similar character in the locality in which the Work is performed, and not less than the general prevailing rate of per diem wages for legal holiday and overtime work.

The prevailing wage law does not prohibit payment of more than the general prevailing rate of wages.

Contractor agrees not to discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Contractor agrees to comply with the Immigration Reform and Control Act of 1986 and the Americans with Disabilities Act of 1990, and Contractor will indemnify and hold Owner harmless for any failure to so comply and any discrimination for which Contractor may be charged.

Contractor shall keep certified payrolls which will be collected and maintained by the Contractor for itself and all subcontractors and made available to the Owner as may be required upon request or for audit at completion of the job. Accurate records shall show the names and occupations of all laborers, workmen, and mechanics employed, together with the actual wages paid to each worker. At all reasonable hours, such records shall be open to inspection by representatives of the Owner.

According to Chapter 2258 Texas Government Code Title 10A, a CONTRACTOR or subcontractor(s) who violates this section shall pay to the political subdivision on whose behalf the contract is made, $60 for each worker employed for each calendar day or part of the day that the worker is paid less than the wage rates stipulated in the contract. A public body shall use any money collected under this section to offset the costs incurred in the administration of this chapter.

Contractor shall comply with all requirements of the hours of work on public works law of the State of Texas, Texas Revised Civil Statutes, Articles 5165.1 to 5165.3, including the latest amendments thereto.

Pursuant to Texas Revised Civil Statutes, Article 4413(31), Contractor shall give preference in employment to honorably discharged veterans who were engaged in the services of the United States in time of war or conflict and who are and have been citizens of Texas for not less than five years.

43. CONFIDENTIALITY OF INFORMATION AND SECURITY

Should the successful Respondent be awarded a contract and become the holder of, and have access to, confidential information, (in the process of fulfilling its responsibilities in connection with the contract), the successful Respondent agrees that it shall keep such information confidential and will comply fully with the laws and regulations of the State of Texas, ordinances and regulations of the City of New Braunfels, and any applicable federal laws and regulations relating to confidentiality.
44. **SUBSTITUTIONS/CANCELLATIONS OF RESPONSES**

A. Pursuant to Section 252.0435 of the Local Government Code, the City of New Braunfels will consider the safety records of potential contractors prior to awarding bids on City contracts. The City of New Braunfels follows written definitions and criteria for accurately determining the safety record of a Bidder prior to awarding bids on City contracts. The term “Bidder” includes the firm, corporation, partnership, or other legal entity represented by the Bidder or anyone acting for such firm, corporation, partnership or other entity submitting the bid. The definitions and criteria for determining the safety record of a Bidder are:

1. “Citations” include notices of violation, notices of enforcement, suspension/revocations of state or federal licenses or registrations, fines assessed pending criminal complaints, indictments, or convictions, administrative orders, draft orders, final orders, and judicial final judgments. Notice of Violations and Notice of Enforcement received

2. “Environmental Protection Agency” includes, but is not limited to the Texas Commission on Environmental Quality (TCEQ), the U.S. Environmental Protection Agency, the U.S. Fish and Wildlife Service, the U.S. Army Corps of Engineers, the Texas Department of Health, the Texas Parks and Wildlife Department, the Structural Pest Control Service, agencies of local governments responsible for enforcing environmental protection laws or regulations, and similar regulatory agencies of other states of the United States.

B. If the Bidder’s response to the following questions reveals more than two (2) cases in which final orders have been entered by the Occupational Safety and Health Review Commission (OSHRC) against the Bidder for serious violations of Occupational Safety & Health Administration (OSHA) regulations within the past five (5) years, the City will, at its discretion, determine whether to disqualify the Bidder.

C. If the Bidder’s response to the following questions reveals more than one (1) case in which Bidder has received a citation or for which final orders have been entered from an environmental protection agency for violations within the past five (5) years, the City will, at its discretion, determine whether to disqualify the Bidder.

D. If the Bidder’s response to the following questions reveals that the Bidder has been convicted of a criminal offense within the past ten (10) years or has been subject to a judgment for a negligent act or omission, which resulted in serious bodily harm or death, at its discretion, the City will determine whether to disqualify the Bidder.

E. The City may consider the responses to each question listed below separately when making a discretionary determination of whether to disqualify a Bidder and it may consider the cumulative impact of the information generated by the Bidder’s responses in making the determination.

F. In order to consider the safety records of potential contractors prior to awarding bids on City contracts, the City requires that Bidders answer the following questions and submit them upon request:

**QUESTION ONE**
Has the Bidder or sub contractors’ companies received any Citations for violations of OSHA within the past five (5) years? □ Yes  □ No

**QUESTION TWO**

2. **General Insurance Requirements**

**A. Definitions.** For purposes of this Agreement:

i. “ISO” means Insurance Services Office.

ii. “Contractor” shall include subcontractors of any tier.

iii. “Owner Parties” means (a) the City of New Braunfels (“Owner”), (b) the Project, (c) any lender whose loan is secured by a lien against the Work, (d) their respective shareholders, members, partners, joint ventures, affiliates, subsidiaries, successors and assigns, (e) any directors, officers, employees, or agents of such persons or entities, and (f) others as required by the Construction Documents.

**B. Policies.**

i. Contractor shall maintain such General Liability, Excess Liability, Professional and Pollution insurance in identical coverage, form and amount, including required endorsements, for at least two (2) years following Date of Substantial Completion of the Work to be performed under this Agreement. Contractor shall provide written representation to Owner stating Work completion date.

ii. All policies must:
a. Be written through insurance companies authorized to do business in the State in which the work is to be performed and rated no less than A-: VII in the most current edition of A. M. Best’s Key Rating Guide at all times Work is to be performed.
b. Provide a waiver of subrogation in favor of Owner Parties on all insurance coverage carried by Contractor, whether required herein or not.
c. Contain an endorsement providing for thirty (30) days prior written notice of cancellation to Owner.
d. Be provided to the Owner Parties in compliance with the requirements herein and shall contain no endorsements that restrict, limit, or exclude coverage required herein in any manner without the prior express written approval of the Owner.

iii. Failure of any Owner Party to demand such certificate or other evidence of full compliance with these insurance requirements or failure of any Owner Party to identify a deficiency from evidence that is provided shall not be construed as a waiver of the Contractor’s obligation to maintain such insurance.

iv. Contractor shall provide to the Owner a certified copy of all insurance policies required herein within ten (10) days of any such request. Renewal policies, if necessary, shall be delivered to the Owner prior to the expiration of the previous policy.

v. Commencement of Work without provision of the required certificate of insurance, evidence of insurance and/or required endorsements, or without compliance with any other provision of this Agreement, shall not constitute a waiver by any Owner Party of any rights. The Owner shall have the right, but not the obligation, of prohibiting the Contractor or any subcontractor from performing any Work until such certificate of insurance, evidence of insurance and/or required endorsements are received and approved by the Owner.

C. Limits, Deductibles and Retentions
i. The limits of liability may be provided by a single policy of insurance or by a combination of primary and excess policies, but in no event shall the total limits of liability available for any one occurrence or accident be less than the amount required herein.

ii. No deductible or self-insured retention shall exceed $25,000 without prior written approval of the Owner, except as otherwise specified herein. All deductibles and/or retentions shall be paid by, assumed by, for the account of, and at the Contractor’s sole risk. The Contractor shall not be reimbursed for same.

D. Forms
i. If the forms of policies, endorsements, certificates or evidence of insurance required by this Exhibit are superseded or discontinued, Owner will have the right to require other equivalent forms.

ii. Any policy or endorsement form other than a form specified in this Exhibit must be approved in advance by Owner.

E. Evidence of Insurance. Insurance must be evidenced as follows:

i. ACORD Form 25 Certificate of Liability Insurance for liability coverages.

ii. ACORD Form 28 Evidence of Commercial Property Insurance for property coverages.

iii. Evidence shall be provided to Owner prior to commencing Work and prior to the expiration of any required coverage.

iv. ACORD Forms specify:
   a. Owner as certificate holder at Owner’s mailing address;
   b. Insured’s name, which must match that on this Agreement;
   c. Insurance companies producing each coverage and the policy number and policy date of each coverage;
   d. Producer of the certificate with correct address and phone number and have the signature of the authorized representative of the producer;
   e. Additional Insured status in favor of Owner Parties;
   f. Amount of any deductible or self-insured retention in excess of $25,000;
   g. Designated Construction Project(s) General Aggregate Limit;
   h. Primary and non-contributory status;
   i. Waivers of subrogation; and
   j. All exclusions and limitations added by endorsement to the General Liability coverage. This can be achieved by attachment of the Schedule of Forms and Endorsements page.

v. Copies of the following shall also be provided:
   a. General Liability Additional insured endorsement(s);
   b. General Liability Schedule of Forms and Endorsements page(s); and
   c. 30 Day Notice of Cancellation endorsement applicable to all required policies.

F. Contractor Insurance Representations to Owner Parties
i. It is expressly understood and agreed that the insurance coverages required herein (a) represent Owner Parties' minimum requirements and are not to be construed to void or limit the Contractor's indemnity obligations as contained in this Agreement nor represent in any manner a determination of the insurance coverages the Contractor should or should not maintain for its own protection; and (b) are being, or have been, obtained by the Contractor in support of the Contractor's liability and indemnity obligations under this Agreement. Irrespective of the requirements as to insurance to be carried as provided for herein, the insolvency, bankruptcy or failure of any insurance company carrying insurance of the Contractor, or the failure of any insurance company to pay claims accruing, shall not be held to affect, negate or waive any of the provisions of this Agreement.

ii. Failure to obtain and maintain the required insurance shall constitute a material breach of, and default under, this Agreement. If the Contractor shall fail to remedy such breach within five (5) business days after notice by the Owner, the Contractor will be liable for any and all costs, liabilities, damages and penalties resulting to the Owner Parties from such breach, unless a written waiver of the specific insurance requirement(s) is provided to the Contractor by the Owner. In the event of any failure by the Contractor to comply with the provisions of this Agreement, the Owner may, without in any way compromising or waiving any right or remedy at law or in equity, on notice to the Contractor, purchase such insurance, at the Contractor's expense, provided that the Owner shall have no obligation to do so and if the Owner shall do so, the Contractor shall not be relieved of or excused from the obligation to obtain and maintain such insurance amounts and coverages.

iii. This Exhibit is an independent contract provision and shall survive the termination or expiration of the Construction Agreement.

G. Insurance Requirements of Contractor's Subcontractors

i. Insurance similar to that required of the Contractor shall be provided by all subcontractors (or provided by the Contractor on behalf of subcontractors) to cover operations performed under any subcontract agreement. The Contractor shall be held responsible for any modification in these insurance requirements as they apply to subcontractors. The Contractor shall maintain certificates of insurance from all subcontractors containing provisions similar to those listed herein (modified to recognize that the certificate is from subcontractor) enumerating, among other things, the waivers of subrogation, additional insured status, and primary liability as required herein, and make them available to the Owner upon request.

ii. The Contractor is fully responsible for loss and damage to its property on the site, including tools and equipment, and shall take necessary precautions to prevent damage to or vandalism, theft, burglary, pilferage and unexplained disappearance of property. Any insurance covering the Contractor's or its subcontractor's property shall be the Contractor's and its subcontractor's sole and complete means or recovery for any such loss. To the extent any loss is not covered by said insurance or subject to any deductible or co-insurance, the Contractor shall not be reimbursed for same. Should the Contractor or its subcontractors choose to self insure this risk, it is expressly agreed that the Contractor hereby waives, and shall cause its subcontractors to waive, any claim for damage or loss to said property in favor of the Owner Parties.

H. Use of the Owners Equipment

The Contractor, its agents, employees, subcontractors or suppliers shall use the Owners equipment only with express written permission of the Owners designated representative and in accordance with the Owners terms and condition for such use. If the Contractor or any of its agents, employees, subcontractors or suppliers utilize any of the Owners equipment for any purpose, including machinery, tools, scaffolding, hoists, lifts or similar items owned, leased or under the control of the Owner, the Contractor shall defend, indemnify and be liable to the Owner Parties for any and all loss or damage which may arise from such use.

I. Release and Waiver

The Contractor hereby releases, and shall cause its subcontractors to release, the Owner Parties from any and all claims or causes of action whatsoever which the Contractor and/or its subcontractors might otherwise now or hereafter possess resulting in or from or in any way connected with any loss covered by insurance, whether required herein or not, or which should have been covered by insurance required herein, including the deductible and/or uninsured portion thereof, maintained and/or required to be maintained by the Contractor and/or its subcontractors pursuant to this Agreement. THE FOREGOING RELEASE AND WAIVER APPLY EVEN IF THE LOSS OR DAMAGE IS CAUSED IN WHOLE OR IN PART BY THE FAULT OR NEGLIGENCE OR STRICT LIABILITY OF THE OWNER PARTIES.

Note: Under Executive Order (EO) 13658, an hourly minimum wage of $10.80 for calendar year 2020 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least $10.80 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2020. Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of...
the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
