SECTION 4

PROJECT DESCRIPTION AND SCOPE OF WORK

4.1 BACKGROUND:

The City of New Braunfels is situated in Comal County, between the Nation's seventh (7th) largest city, San Antonio, to the south, and the Texas Capital, Austin, to the north, with easy access to each along Interstate Highway 35. Interstate Highway 10, less than ten (10) miles to the south, provides access to Houston, three (3) hours to the east.

Consistently ranked by the U.S. Census Bureau in the top Ten (10) fastest growing cities in the Nation, New Braunfels has a 2020 population of over 90,403, an increase of nearly 57%, in comparison to the 2010 population. Founded in 1845, New Braunfels has a rich history and, in light of the tremendous growth, still retains its cultural heritage which influences its architecture, community activities, branding, pride of citizenship, and way of life.

4.2. SCOPE OF SERVICES

The City of New Braunfels request On-Call services to provide traffic study control data collection as identified and needed by the City of New Braunfels.

It is the intent of this RFP to create master agreements for these services. The number of master agreements awarded will be determined after evaluation of proposals received through this solicitation. Various City departments and/or Project Managers may utilize the services provided with the awarded firms on individual projects. Assignment of work will be at the discretion of City staff. No work is guaranteed by an award of a Master Agreement.

The purpose of an external contract for traffic study data collection is to allow staff to be more responsive to traffic requests that require traffic studies.

4.3 SCOPE OF WORK

Currently, City of New Braunfels Engineering staff is relying on their coworkers in the Streets Division and Police Department to complete traffic studies in addition to their existing duties, which is causing a delay in response time to citizens.

When traffic studies are completed by external contractors from the existing Engineering Services IDIQ, there is an additional cost for the processing of the data by the consultant engineer. This is a task that can be completed by the Engineering staff at the City of New Braunfels, which lowers the cost for these services.

Having a contract for traffic study data collection will allow Engineering staff to complete more traffic studies to respond to citizen's requests in a timely manner at a lower cost than the existing Engineering Services IDIQ.

Data collection may include, but is not limited to, volume counts, turning movement counts, speed data collection, parking occupancy counts, and pedestrian counts.

Known Tasks to be performed:

B. Upon termination for convenience, CONTRACTOR will comply with instructions in the notice of termination regarding delivery to CITY of all Deliverables in progress and all completed Deliverables.

C. In the event of a termination under paragraph (a) of this Article, CITY shall pay for portions of Services completed and accepted by CITY and materials purchased. CITY shall not be liable in connection with any termination under this Article for indirect, special, incidental, consequential or punitive damages, including without limitation loss of anticipated future Services, anticipated profits, administrative costs or overhead on anticipated Services. Final payment shall be made upon the Parties' agreement of the amount of the final invoice and CITY's Acceptance of the Services.

XXIII. TERMINATION FOR CAUSE

A. The occurrence of any one or more of the following events will constitute an event of default:

- 1) CONTRACTOR's persistent failure to perform the Services in accordance with the Agreement Documents (including, but not limited to, failure to supply sufficiently skilled workers, suitable materials or equipment, or to adhere to project schedules as adjusted from time to time by the Parties);
- 2) CONTRACTOR's disregard of applicable laws or regulations;
- 3) CONTRACTOR's disregard of the authority of the CITY's Agent;
- 4) CONTRACTOR's violation in any material way of any provisions of this Agreement and the Agreement Documents;
- 5) Failure of CONTRACTOR to pay subcontractors and/or material suppliers;
- 6) CONTRACTOR's violation of CITY's ethics policy or the Ethics Requirements contained herein; or
- 7) CITY designates a Key Person, and that Key Person is no longer employed by CONTRACTOR.

B. If one or more of the events identified in paragraph (a) occur, the CITY may, at its sole discretion, choose to either terminate this Agreement at the time of CITY's choosing upon written notification to the CONTRACTOR, or provide a Corrective Action Request to CONTRACTOR.

C. If CONTRACTOR fails to initiate such Corrective Action or submit an acceptable plan within the aforementioned timeframe, or fails to follow through on completion of the plan, CITY may take any or all of the following actions without affecting the contracted price or schedule:

- 1) CITY personnel may direct PROFESSIONAL to cease performance on all or part of the Agreement until satisfactory Corrective Action has been taken;
- 2) CITY may have others take Corrective Action necessary to achieve compliance with the Agreement. CITY may deduct the cost of such Corrective Action by others from any moneys due to CONTRACTOR. Corrective Action by others shall be taken when, in the judgment of CITY, the noncompliance threatens safety, unreasonably interferes with or delays the work of others, or otherwise creates a situation the resolution of which cannot be delayed without adversely impacting quality, cost or timely completion;
- 3) CITY may seek any of the Remedies set forth further in this Agreement; and/or
- 4) CITY may Terminate for Cause as provided herein.

D. If this Agreement has been so terminated by CITY, the termination will not affect any rights or remedies of CITY against CONTRACTOR or any surety then-existing or which may thereafter accrue. No retention or payment of moneys due CONTRACTOR by CITY will release CONTRACTOR from liability.

E. If it is ever determined that CITY wrongfully terminated CONTRACTOR for Cause, the

termination shall be converted to a termination for convenience.

XXIV. SUSPENSION

A. CITY may, at any time and at its sole option, suspend all or any portions of the CONTRACTOR's performance under this Agreement by providing ten (10) calendar days written notice to the CONTRACTOR. Upon receipt of any such notice, CONTRACTOR shall:

- 1) Immediately discontinue performance under this Agreement on the date and to the extent specified in the notice;
- 2) Place no further orders with subcontractors or CONTRACTOR with respect to the suspended portion of the performance, other than to the extent necessary to protect any portion of the performance already completed;
- 3) Promptly make every reasonable effort to obtain suspension, upon terms satisfactory to CITY, of all orders, subcontracts and rental agreements to the extent that they relate to performance suspended by the notice;
- 4) Continue to protect and maintain the portion of the performance already completed, unless otherwise specifically stated in the notice; and
- 5) Continue to perform CONTRACTOR's obligations for the portions of the Agreement not suspended.

B. CITY shall reimburse CONTRACTOR for the cost of maintaining and protecting any portion of CONTRACTOR's performance that has not been delivered to CITY, subject to approval by CITY.

C. Upon receipt of notice to restart the suspended portion of the performance, CONTRACTOR shall immediately resume the suspended performance to the extent required in the notice. Within fourteen (14) calendar days after receipt of notice to restart the performance, the CONTRACTOR shall submit a revised schedule for approval by CITY. If, as a result of any suspension, the cost to CONTRACTOR of subsequent performance or the time required to do so is changed, a claim for an adjustment in the contracted price may be made. Any claim on the part of CONTRACTOR for change in price or extension of time shall be made in accordance with this Agreement.

D. If amounts set forth in (b) above cannot be negotiated then CITY may terminate this Agreement with no further liability to CONTRACTOR.

XXV. Dispute Resolution

Any dispute, controversy or claim arising out of or relating to this Agreement, or the breach hereof, must be referred to upper management of the parties for good faith discussion and resolution prior to invoking any other dispute resolution method authorized under this Agreement. Pending resolution of any such dispute, CONTRACTOR must continue to perform its obligations under this Agreement and CITY must continue to make payment to CONTRACTOR for any undisputed items. The Parties agree that in the event of a dispute concerning the performance or non-performance of any obligations flowing from or as a result of this Agreement and prior to the initiation of any litigation, the Parties will voluntarily submit the dispute to mediation before a mediator selected by the Parties as though it were referred through the operation of the Texas Alternative Dispute Resolution Procedures Act, Title 7, Chapter 154, Texas Civil Practices & Remedies Code. No record, evidence, statement or declaration resulting from or in connection with such alternate dispute resolution procedure may be used in evidence in subsequent litigation except to demonstrate that this Article has been complied with in good faith by a Party. CONTRACTOR shall proceed diligently with performance of the Agreement, pending final resolution of any request for relief, claim, appeal, or action arising under the Agreement. During a dispute, CITY has right to use any deliverables, work product, material or equipment provided by CONTRACTOR under this Agreement until the dispute is settled through a predefined court

process.

XXVI. GOVERNING LAW

A. This Agreement shall be governed, interpreted and enforced under the laws of the State of Texas, without regard to its conflict of law principles. In the event of litigation between the Parties arising out of or related to this Agreement, venue for such litigation shall be in a court of competent jurisdiction in Comal County, Texas.

B. CONTRACTOR shall be aware of and shall comply with all federal, state and local laws, ordinances, codes (including applicable CONTRACTOR codes) and regulations applicable to performance of this Agreement, including standards and codes of technical societies that have been adopted by law or regulation or compliance with which is required in the Agreement Documents. If any of the work fails to comply with such laws, ordinances, codes and regulations, CONTRACTOR shall bear any expense arising from that failure, including the costs to bring the work into compliance.

C. Without limiting the generality of the foregoing, during the performance of the Agreement, CONTRACTOR agrees to comply with all applicable regulations of Executive Order No. 11246 of September 24, 1965, and the rules, regulations and relevant orders of the Secretary of Labor as they may apply to Equal Employment Opportunity. CONTRACTOR will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor pursuant thereto, and will permit access to its books, records and accounts by the cognizant agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

XXVII. INDEPENDENT CONTRACTOR

A. CONTRACTOR shall perform in all respects under this Agreement as an independent contractor and not as an employee, partner, joint venturer or agent of the CITY. CONTRACTOR's performance shall be subject to the CITY's review, approval and acceptance as provided in the Agreement Documents, but the detailed manner and method of performance shall be under the control of CONTRACTOR. However, because CONTRACTOR's performance may be associated in the minds of the public with CITY, CONTRACTOR shall ensure that all work by its employees, subcontractors and agents are performed in an orderly, responsible and courteous manner. **CONTRACTOR AGREES TO INDEMNIFY AND HOLD HARMLESS CITY FROM ANY DAMAGE, JUDGMENT, LOSS, FINE, PENALTY OR INTEREST AWARDED TO CONTRACTOR PERSONNEL OR ANY TAXING AUTHORITY BASED UPON A CLAIM THAT CONTRACTOR PERSONNEL ARE EMPLOYEES OF CITY.**

B. Upon prior notification to and written approval of CITY, CONTRACTOR may hire subcontractors to perform work hereunder. CONTRACTOR shall be responsible to CITY for the performance of all such subcontractors. The CITY reserves the right, in its sole discretion, to reject the employment by CONTRACTOR of any subcontractor to which CITY has an objection. CONTRACTOR, however, shall not be required to contract with any subcontractor to which it has an objection. CITY shall require any and all such subcontractors to sign contracts with CONTRACTOR that bind the subcontractors to perform their subcontracts in accordance with the applicable requirements of the Agreement Documents. Upon the request of CITY, CONTRACTOR shall furnish CITY with copies of such subcontracts. In addition, CONTRACTOR agrees that it is CONTRACTOR's responsibility to ensure that such subcontractors make all appropriate tax payments or tax withholding in relation to subcontractor's employees providing work to CITY through CONTRACTOR under this Agreement. CONTRACTOR represents that it and its subcontractors have skills necessary to perform the work contemplated in this Agreement and any related Orders and are fully trained to perform the tasks required by this Agreement and that they need no training by the CITY.

XXVIII. ON-SITE ACTIVITIES

A. This Article shall only apply if CONTRACTOR has any personnel performing Ancillary Services at a CITY Site, under this Agreement.

B. CONTRACTOR shall have an authorized representative at the Site to whom CITY SME or representative may give instructions at all times when Ancillary Services are being performed. The authorized representative of CONTRACTOR shall be identified to CITY in writing.

C. CONTRACTOR shall have competent supervision at the Site at all times to direct and observe the Ancillary Services to be performed. CONTRACTOR will investigate and take appropriate action with respect to any personnel problems brought to its attention by CITY's Agent.

D. CONTRACTOR shall confine all of its operations and personnel to those areas of the Site to which CITY authorizes access.

E. CONTRACTOR's personnel may not operate CITY's tools, vehicles, materials or equipment (collectively "CITY Equipment") without CITY Agent's prior authorization. If CONTRACTOR borrows CITY Equipment, it is conclusively presumed CONTRACTOR agrees to the following terms and conditions, regardless as to whether such authorization is granted by CITY:

- 1) The CITY Equipment is provided AS IS, with no representations or warranties;
- 2) CONTRACTOR assumes full responsibility for the protection of the CITY Equipment;
- 3) CONTRACTOR agrees to return the CITY Equipment to CITY in the same condition as when it was borrowed, or, if repairs are necessary, to cause such repairs to be performed promptly at CONTRACTOR's sole expense before the CITY Equipment is returned to CITY. CITY may deduct or offset any costs associated with repairing any damage to the CITY Equipment from any payment owed to the CONTRACTOR hereunder;
- 4) CONTRACTOR releases and discharges CITY, its directors, officers, and employees from all liability for any loss or damage arising from, related to, or resulting from any use of the CITY Equipment by any individuals, other than CITY employees; and
- 5) CONTRACTOR agrees to defend, indemnify and hold harmless CITY, its directors, officers, and employees from and against any and all claims, demands, suits, causes of action, proceedings, judgments, damages, costs, expenses, and liabilities (including reasonable attorneys fees and costs) arising out, related to, or resulting from any use of the CITY Equipment by any individuals, other than CITY employees.

CONTRACTOR SHALL PROVIDE ALL TOOLS AND EQUIPMENT ASSOCIATED WITH WORKER SAFETY AND HEALTH, NEEDED TO PERFORM THE WORK, INCLUDING WITHOUT LIMITATION AIR MONITORING EQUIPMENT, CONFINED SPACE EQUIPMENT, PERSONAL PROTECTIVE EQUIPMENT, WARNINGS, BARRICADES AND LOCK OUT/TAG OUT EQUIPMENT. CONTRACTOR shall cooperate with CITY and others working at or near the Site. CITY has no obligation to lend CITY Equipment to CONTRACTOR and may decline to do so at any time in its sole discretion.

F. CONTRACTOR shall promptly report to CITY's Agent any defects in the work of others which impacts on CONTRACTOR's Ancillary Services or the performance of its obligations hereunder. Failure to report such defects constitutes acceptance of the conditions by CONTRACTOR.

G. CONTRACTOR shall keep all of its work areas free from trash and debris and keep its work areas "broom clean" on a continuous basis.

H. CONTRACTOR shall secure and protect its own materials, tools, equipment and Ancillary Services, including any CITY Equipment, whether provided by CITY under this Agreement or borrowed from CITY.

XXIX. RIGHT TO AUDIT

CITY shall have the right to audit all books and records (including the supporting or underlying documents and materials), in whatever form they may be kept, whether written, electronic or other, relating or pertaining to this Agreement (Collectively "Records"), kept by or subject to the control of the CONTRACTOR, including, but not limited to those kept by the CONTRACTOR, its employees, agents, assigns, successors and subcontractors. The CONTRACTOR shall maintain, and shall require its subcontractors to maintain, such books and records, together with such supporting or underlying documents and materials, for the duration of this Agreement and for at least two (2) years following the completion of the last Order completed under this Agreement, including any and all extensions thereof. The books and records, together with the supporting or underlying documents and materials shall be made available, upon request, to CITY during normal business hours at the CONTRACTOR's office or place of business. In the event that no such location is available, then the books and records, together with the supporting or underlying documents and records, shall be made available for audit at a time and location which is convenient for CITY. This right to audit applies to all books, records and supporting documents and materials regardless of the format in which those items are maintained. In the event that the CONTRACTOR fails the audit, CITY shall be compensated by CONTRACTOR as appropriate and as demonstrated by the audit findings. Specifically, in the case that the audit finds that CONTRACTOR over-charged CITY, CONTRACTOR shall compensate CITY by the amount of the overcharge plus a late charge of 1% per month beginning with the month in which the overcharge occurred to the month in which the overcharge is compensated by the CONTRACTOR.

XXX. FINANCIAL OBLIGATIONS

A. CONTRACTOR hereby certifies that it has the financial ability to perform this Agreement and all the Orders executed hereunder to final completion and that it shall notify CITY if it appears that: CONTRACTOR ceases to have the financial ability to perform this Agreement or any Order hereunder, if the CONTRACTOR's liabilities exceed its assets, or if it is generally unable to pay its debts. Upon notice thereof, CITY reserves the right to require a letter or credit or other financial guarantee acceptable to CITY.

CONTRACTOR shall, at its own expense, prepare and submit for review annually by CITY audited financial statements. Such statements shall be submitted to CITY no later than May 1 of each year. If CITY, in its sole judgment, concludes that CONTRACTOR's financial statements indicate that CONTRACTOR poses an unwarranted risk to CITY, then CITY may terminate this Agreement for its own convenience.

XXI. BANKRUPTCY

Subject to the rights of any trustee in bankruptcy and to applicable law, in the event that either Party becomes or is declared insolvent or bankrupt, is the subject of any proceedings related to its liquidation, insolvency or for the appointment of a receiver or similar officer, makes an assignment for the benefit of all or substantially all of its creditors, or enters into an agreement for the composition, extension, or readjustment of all or substantially all of its obligations, such Party agrees to furnish notification to the other within five working days by registered mail. Then the other Party may, by giving written notice thereof to the other Party, terminate this Agreement as of a date specified in such notice of termination.

XXXII. PUBLICITY

CONTRACTOR shall not directly or indirectly publish, approve or issue any advertising, sales promotion, press release or public statement relating to this Agreement or any other work performed by CONTRACTOR for CITY wherein CITY's name, trade name, trademark and/or logo is expressly mentioned or language is used from which CITY's identity may, in CITY's responsible judgment, be inferred or implied (a "Prohibited Publication"), without the prior written approval of the CITY Purchasing Agent, which approval may be withheld in CITY's absolute discretion.

XXIII. AGREEMENT NON-EXCLUSIVE

The Agreement is not exclusive. CITY has the right to hire others to provide the same or similar work.

XXXIV. SEVERABILITY

If any term or provision of this Agreement is held illegal or unenforceable by a court of competent jurisdiction, all other terms in this Agreement will remain in full force and effect and the illegal or unenforceable provision shall be deemed stricken. In the event the stricken provision materially affects the rights, obligations or duties of either party, CITY and CONTRACTOR shall substitute a provision by mutual agreement that preserves the original intent of the parties as closely as possible under applicable law.

XXXV. INTERPRETATION AND RELIANCE

While this Agreement was initiated by CITY, CONTRACTOR had the opportunity to take exception to and seek clarification of it. Thus, this Agreement is the product of negotiations between the Parties. No presumption will apply in favor of any Party in the interpretation of this Agreement or in resolution of any ambiguity of any provision.

XXXVI. SURVIVAL

Termination or expiration of this Agreement shall not relieve, reduce, or impair any rights or obligations of a party which expressly or by implication survive termination or expiration of this Agreement. Without limiting the generality of the foregoing, the following Articles shall survive the termination or expiration of this Agreement: General, Services, Documents, Termination, Insurance, Indemnification for Injury and Performance, Indemnification for Unemployment Compensation, General Indemnity, Intellectual Property Indemnity, Default of CONTRACTOR, Notices & Authority, Invoicing, Remedies, Termination for Convenience, Termination for Cause, Dispute Resolution, Governing Law, Independent Contractor, Right to Audit, Publicity, Agreement Non-Exclusive and Severability.

XXXVII. BUSINESS REVIEWS

CITY and CONTRACTOR shall conduct business reviews at least annually. CONTRACTOR shall attend business reviews at CONTRACTOR's own expense. These business reviews may be held formally or informally at the discretion of CITY. As part of the business review process, the CONTRACTOR shall be evaluated on ability to perform, quality, service, value, and innovation. CONTRACTOR shall be required to submit updated qualifications to the CITY Agent upon request.

As part of the Business Review process, CONTRACTOR shall provide to CITY proposals for cost reduction opportunities on open Orders or opportunities available overall.

XXXVIII. MISCELLANEOUS

The CONTRACTOR shall prepare and execute in any form and detail as CITY shall direct all estimates, certificates, reports, and other documents required to be executed by the CONTRACTOR pursuant to any

Order or this Agreement, including, without limitations, a monthly report of progress on the form of schedule referred to within this Agreement or any subsequent Order showing the percentage of completion of each of the Deliverables thereof. Reporting for Time and Materials based Orders shall include costs incurred and matched to its respective SOW Deliverable. Reporting shall also include this cost incurred against the forecasted total cost and indicate any potential schedule or cost impacts. Reporting shall include spend to date. Any representations or recommendations on the part of the CONTRACTOR made subject to this Article shall not constitute a change to the Order.

IN WITNESS WHEREOF, the parties to these presents have executed this Agreement in the year and day first above written.
