

Following are the standard terms and conditions that apply to contracts entered into with the City of New Braunfels, unless otherwise noted on a Purchase Order or within a Subsequent Contract.

1. ACCEPTANCE

These General Terms and Conditions ("Terms and Conditions") govern all orders issued by the City to the Vendor identified on the order. Fulfillment of any part of an order, or any other conduct by Vendor which recognizes the existence of an agreement pertaining to the subject matter of such order, shall constitute acceptance by Vendor of such order and all of the Terms and Conditions. The Terms and Conditions constitute the complete and exclusive statement of the terms and conditions between Vendor and the City. No revisions to this order or to the Terms and Conditions shall be valid unless made in writing and signed by an authorized representative of the City. The City accepts liability only for purchases of goods and services made through the Purchasing Department and evidenced by a purchase order.

2. CONTRACTOR TO PACKAGE GOODS

The Contractor will package goods according to good commercial practice. Each shipping container will be clearly and permanently marked as follows: (a) Contractor's name and address; (b) Consignee's name, address and purchase order; (c) Container number and total number of containers, e.g., "box 1 of 4 boxes"; and (d) the number of the container bearing the packing slip. The Contractor will bear cost of packaging unless otherwise provided. Goods will be suitably packed to secure lowest transportation costs and to conform to requirements of common carriers and any applicable specifications. The City's count or weight will be final and conclusive on shipments not accompanied by packing lists.

3. FUNDING

Vendor recognizes that the continuation of any purchase order during and or after the close of any given fiscal year of the City of New Braunfels, which fiscal year ends on September 30 of each year, shall be subject to Council budget approval of the City providing for or covering such purchase order item as an expenditure therein. The City does not represent that said budget item will actually be adopted, or remain as adopted, as this determination is within the sole discretion of the City Council. Should funding not be approved by the City Council for any given budget year during the purchase order term, the purchase order will terminate and become null and void.

4. NON-APPROPRIATION: The resulting Agreement is a commitment of the City's current revenues only. It is understood and agreed the City shall have the right to terminate the Agreement at the end of any City fiscal year if the governing body of the City does not appropriate funds sufficient to purchase the estimated yearly quantities, as determined by the City's budget for the fiscal year in question. The City may affect such termination by giving Vendor a written notice of termination at the end of its then current fiscal year.

5. SHIPMENT UNDER RESERVATION PROHIBITED

The Contractor is not authorized to ship the goods under reservation and no tender of a bill of lading will operate as a tender of goods.

6. TITLE & RISK OF LOSS

The title and risk of loss of the goods will not pass to the City until the City actually receives and takes possession of the goods at the point or points of delivery.

7. DELIVERY TERMS AND TRANSPORTATION CHARGES

F.O.B. Destination Freight Prepaid unless delivery terms are specified otherwise in bid; the City agrees to reimburse the Contractor for transportation costs in the amount specified in the Contractor's bid, or actual costs, whichever is lower, if the quoted delivery terms do not include transportation costs, provided the City will have the right to designate what method of transportation will be used to ship the goods.

8. NO REPLACEMENT OF DEFECTIVE PRODUCT

Every tender or delivery of goods must fully comply with all provisions of this contract as to time of delivery, quality and the like. If a tender is made which does not fully conform, this will constitute a breach and the Contractor will not have the right to substitute a conforming tender, provided, where the time for performance has not yet expired, the Contractor may reasonably notify the City of his intention to cure and may then make a conforming tender within the contract time but not afterward.

9. PLACE OF DELIVERY

The place of delivery will be that set forth in the solicitation or the purchase order. The terms of this contract are "no arrival, no sale."

10. PAYMENT/INVOICE REQUIREMENTS

In the event this contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

12. SPECIAL TOOLS AND TEST EQUIPMENT

If the price stated on the face hereof includes the cost of any special tooling or special test equipment fabricated or required by Contractor for the purpose of filling this order, such special tooling equipment and any process sheets related thereto shall become the property of the Buyer and to the extent feasible shall be identified by the Contractor as such.

13. WARRANTY-PRICE

a. The price to be paid by the City will be that contained in the Contractor's offer which the Contractor warrants to be no higher than Contractor's current prices on orders by others for products of the kind and specification covered by this contract for similar quantities under similar or like conditions and methods of purchase. In the event Contractor breaches this warranty the prices of the items will be reduced to the Contractor's current prices on orders by others, or in the alternative, the City may cancel this contract without liability to Contractor for breach or Contractor's actual expense.

b. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for commission, percentage, brokerage, or contingent fee excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty the City will have the right in addition to any other right or rights to cancel this contract without liability and to deduct from the contract price, or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

14. WARRANTY OF PRODUCTS AND SERVICES

All products furnished under this contract shall be warranted to be merchantable and good quality and fit for the purposes intended as described in purchase order, to the satisfaction of City and in accordance with the specifications, terms and conditions outlined herein, and all services performed shall be warranted to be of a good and workmanlike quality, in addition to, and not in lieu of, any other express written warranties provided.

15. SAFETY WARRANTY

Contractor warrants that the product sold to the City will conform to the standards promulgated by the US Department of Labor under the Occupational Safety and Health Act of 1970. In the event the product does not conform to OSHA standards, the City may return the product for correction or replacement at the Contractor's expense. In the event the Contractor fails to make the appropriate correction within reasonable time, correction made by the City will be at the Contractor's expense.

16. NO WARRANTY BY THE CITY AGAINST INFRINGEMENTS

As part of this contract for sale Contractor agrees to ascertain whether goods manufactured according to the specifications attached to this contract will cause the rightful claim of any third person by way of infringement or the like. The City makes no warranty that the production of goods according to the specification will not give rise to such a claim and in no event will the City be liable to the Contractor for indemnification if Contractor is sued on the grounds of infringement or the like. If Contractor is of the opinion that an infringement or the like will result, he will notify the City to this effect in writing within two weeks after the signing of this contract. If the City does not receive notice and is subsequently held liable for the infringement or the like, the Contractor will save the City harmless (if the Contractor in good faith ascertains that production of goods

according to the specifications will result in infringement or the like, this contract will be null and void except that the City will pay the Contractor the reasonable cost of his search as to infringements).

17. RIGHT OF INSPECTION

Goods purchased are subject to inspection by Buyer. Buyer reserves the right to reject or refuse acceptance of goods which are not in accordance with Buyer's instructions, specifications, drawings and date, or Contractor's warranties (expressed or implied). Goods not accepted will be returned to Contractor at Contractor's risk and expense. Payment for any goods shall not be deemed an acceptance thereof and shall be refunded to the Buyer in the event Contractor cannot fulfill an acceptable order.

18. CANCELLATION Buyer shall have the right to cancel for default all or any part of the undelivered portion of this order if Contractor breaches any of the terms hereof including warranties of Contractor or if the Contractor becomes insolvent or commits acts of bankruptcy. Such right of cancellation is in addition to and not in lieu of any other remedies which Buyer may have in law or equity.

19. TERMINATION CLAUSES

(a) **TERMINATION FOR DEFAULT**

Pertaining to contract-related issues, it is the responsibility of both the City of New Braunfels and the awarded Contractor to communicate with each other in as clear and complete a manner as possible. If at any time during the term of this contract the City or the Contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and associated corrective action. The other party will, within 10 days, respond in writing to the other party. If conditions warrant, the City will retain the right to require the Contractor to respond in a shorter period of time. Failure to take corrective action or failure to provide a written reply within the prescribed 10 days may constitute a default of contract.

Prior to termination, the City may choose to warn the Contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the Contractor on probation, thereby giving the Contractor a certain period of time to correct the deficiencies or potentially incur termination. The City will maintain in the contract file a written record of any such warning detailing all pertinent information. If the Contractor does not agree with such action, the Contractor will have 10 days to dispute or protest, in writing, such action; if Contractor does not do so within the 10-day period, Contractor will have no recourse but to accept and agree with the City's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the City's alleged incorrect action(s).

If the Contractor is in material breach of the contract, the City may promptly terminate the contract in whole or in part. Such termination must be delivered to the Contractor in writing and will fully detail all pertinent issues pertaining to the cause of and justification for the termination. The termination will be effective upon the date set forth in the notice and will not relieve Contractor of any liability to the City for damages sustained by virtue of any breach by Contractor. After termination, if the Contractor does not agree with the City's justification for the termination, the Contractor will have 10 days to dispute, in writing, such action; if Contractor does not do so within the 10-day period, Contractor will have no recourse but to accept and agree with the City's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the City's alleged incorrect action(s). Termination by City may be directed by City Director(s), without further action by City Council. However, if necessary, City Council may take whatever action as its interest may appear, resulting from such notice.

City reserves the right to enforce the performance of this contract in any manner prescribed by law in the event of breach or default of this contract and may contract with another party with or without solicitation of Proposals or further negotiations. As a minimum, Contractor may be required to pay any difference in the cost of securing the products or services covered by this contract or compensate for any loss to City should it become necessary to contract with another source because of default, plus reasonable administrative costs and attorney's fees.

(b) If it is in the **PUBLIC INTEREST TO TERMINATE** the contract, the City Manager reserves the right to do so. If terminated for the public good, all costs directly attributable to work done or supplies obtained in preparation for completion or compliance with the contract prior to termination will be paid. Costs are excluded which are recoverable in the normal course of business or which can be mitigated through the sale of supplies or inventories. In the event City pays for supplies or materials, they will become the property of CITY and will be delivered to the F.O.B. point shown in the contract, or as designated by the City Finance Department, Purchasing division. No anticipated profits are payable.

20. DISPUTE RESOLUTION

Pursuant to subchapter I, Chapter 271, TEXAS LOCAL GOVERNMENT CODE, Contractor agrees, that prior to instituting any lawsuit or other proceeding arising from any dispute or claim of breach under this order (a "Claim"), the parties will first attempt to resolve the Claim by following the steps within this code.

a. If a dispute or claim arises under an Agreement, the parties agree to resolve the dispute or claim by appropriate internal means.

21. ADDITIONAL REMEDIES

If the City terminates the contract because the Contractor fails to deliver goods as required by the contract, the City shall have all of the remedies available to a buyer pursuant to the UNIFORM COMMERCIAL CODE including the right to purchase the goods from another vendor in substitution for those due from the Contractor. The cost to cover shall be the cost of substitute goods determined by informal or formal procurement procedures as required by the Local Government Code. The City may recover the difference between the cost of cover and the contract cost by deducting the same from amounts owed to Contractor for goods delivered prior to termination or any other lawful means.

22. FORCE MAJEURE

If, by reason of Force Majeure, either party hereto will be rendered unable wholly or in part to carry out its obligations under this Contract then such party will give notice and full particulars of such Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, will be suspended for only thirty (30) days during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party will try to remove or overcome such inability with all reasonable dispatch. The term Force Majeure as employed herein, will mean acts of God, strikes, lockouts, or other

industrial disturbances, acts of public enemies, orders of any kind of government of the United States or the State of Texas or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquake, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accidents to machinery, pipelines, or canals. It is understood and agreed that the settlement of strikes and lockouts will be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure will be remedied with all reasonable dispatch will not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty. If a party is unable to comply with the provisions of this contract by reason of Force Majeure for a period beyond thirty days after the event or cause relied upon, then upon written notice after the thirty (30) days, the affected party shall be excused from further performance under this contract.

23. ASSIGNMENT-DELEGATION

No right or interest in this contract will be assigned or delegation of any obligation made by the Contractor without the written permission of the City Manager. Any attempted assignment or delegation by the Contractor will be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

24. WAIVER

In the event that funds do not become available the contract may be terminated or the scope may be amended. A 30-day written notice will be given to the vendor and there will be no penalty nor removal charges incurred by the City.

28. RIGHT TO ASSURANCE

Whenever one party to this contract in good faith has reason to question the other party's intent to perform, he may demand that the other party give written assurance of his intent to perform. In the event that a demand is made, and no assurance is given within five (5) calendar days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

29. VENUE

Both parties agree that venue for any litigation arising from this contract will lie in Comal County, Texas.

30. PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS

No officer or employee of the City shall have a financial interest, direct or indirect, in any contract with the City, or shall financially interested, directly or indirectly, in the sale to the County of any land, materials, supplies or service, except on behalf of the County as an officer or employee. 31. NO CITY OFFICER, EMPLOYEE OR ELECTED OFFICIAL WILL BENEFIT from this contract. They may not hold a share or interest in its proceeds. If the award is to a corporation, however, the provision does not apply to minority stockholders of publicly traded corporations.

The City, at its election, will have the right to participate in any such negotiations or legal proceedings to the extent of its interest. The City will not be responsible for any loss of or damage to the Contractor's property from any cause. The indemnity in the section shall not apply to liability resulting from the negligence of the City, its officers, agents, and employees, in instances where such negligence causes personal injury, death, or property damage. The Contractor agrees that it will include this requirement into any subcontract entered into in connection with this Contract.

34. INDEPENDENT CONTRACTOR/CONTRACTUAL RELATIONSHIP
