H. Technical Discussion – Project Managers and Engineers:

Contractor shall complete all work as specified or indicated in the plans, specifications and contract documents. The work is generally described as follows:

Statement of Work:

- Installation of concrete landing, stairway, and other associated features of the landing.
- Installation of ADA grab bars and transfer system
- Installation of signage and buoys
- Installation of micropiles
- Installation of handrails
- Installation of permeable concrete to cover vegetation areas
- Plugging 8-in waterline and removal of a section of the waterline
- Installation of water spigots and drinking fountain and associated waterlines
- Contractor shall coordinate all work, inspections, and approvals with the City of New Braunfels.
- Project shall comply with the United States Occupational Safety & Health Administration regulations.
- Methods & Means of construction shall be compliant with all applicable Federal, State, and Local regulations. This includes obtaining all necessary permits and inspections.
- Contractor to adhere to City of New Braunfels construction administration procedures.
- Maintain and submit all project records such as record drawings, project manuals, and warranties for approval by the City of New Braunfels.

The above list is intended to enhance the statement of work and is not intended to limit the respondent's description of the project's process or services provided. This project shall require expertise in the following construction areas:

**CSP 24-024 Last Tuber's Exit Improvement
PRE-PROPOSAL CONFERENCE AGENDA
June 3 at 10 a.m.**
