<b>8. DESCRIPTION OF CHANGES - This addendum 4 supports answers to questions considered important to the project:</b>  1. Will the city provide a CAD drawing from KSA? Answer: Plans can be provided to the awarded contractor in *.dwg format.  2. Do I need to provide a signed and sealed boundary survey for the airport? Answer: Yes, refer to the Plan notes for requirements.  3. Is there any training required for the field crews to be onsite? Answer: Survey crews will be required to check in with Airport staff prior to their daily work activities and follow all Airport instructions regarding work around the perimeter of the Airport property. Survey crews will not be allow access to AOA areas except for establishing benchmarks and only with express permission of Airport staff. All work shall be performed in accordance with FAA AC requirements.  4. Are there any access restrictions for the field crew? Answer: See response above.  5. Can you provide deeds for the airport? Answer: Surveyor should not expect to receive documentation from the City regarding Airport boundaries due to the age of the airfield, but information the City and Airport has will be provided if it is available.  Except as provided herein, all terms and conditions of the document referenced above remain unchanged and in full force and effect.
